Course Overview

In every workplace, you are likely to perceive some colleagues are being more difficult to work with than others are. Before you rush to judgment, you should determine if and how you might be contributing to the situation. (After all, you may be the problem.) If you have determined that the problem is not you, then this course can help.

In this webinar, the trainer will share methods for recognizing the characteristics of some of the most common types of difficult people and gives you strategies for dealing with these individuals more effectively. The trainer will provide practical techniques for dealing with a variety of different behaviors, including negativity, aggression, childishness, and selfishness. In addition, she explains how to overcome your negative thinking, and get the best from a difficult boss.
